COMMUNITY ENGAGEMENT

BLACK HISTORY MONTH

WE RISE UP AND STILL WE STAY

ONGOING | Exhibit— 19th Century African American Female Physicians @LOUIS CALDER MEMORIAL LIBRARY

This exhibit showcases the work and lives of African American female physicians during a time in history when they faced many barriers to practicing medicine. In 2018, African American female physicians made up roughly 2.8% of US physicians, and today still face many challenges as medical professionals.

PRODUCED BY LOUIS CALDER MEMORIAL LIBRARY
HOSTED BY ODICE

PRESENTATION

Professional Undercover:
Unpacking the Imposter
Syndrome

@<https://miami.zoom.us/j/97911680856>

Some individuals feel like an error was made when selected to join the UMMSM community.

We will unpack these feelings by understanding what is behind the Imposter Syndrome.

HOSTED BY ODICE

[For questions, DiversityOffice@Med.Miami.Edu]
